

**RESOLUTION COMMEMORATING OCTOBER 12-18, 2008,  
AS WE'RE STILL HERE! WEEK**

FROM

(insert name of government entity here)

Approved by (name of approving entity):

Date (date when approved):

Effective date (date when effective):

WHEREAS, there are an estimated one million polio survivors in the United States today, many of whom may experience polio's late effects; and

WHEREAS, acute poliomyelitis is still endemic in parts of the World and a threat to unimmunized children in the US and abroad; and

WHEREAS, knowledge about the late effects of polio is needed within the health care community and the general public; and

WHEREAS, Post-Polio Health International and (insert cooperating group's name) direct attention to the problem and to the contributions of polio survivors.

THEREFORE, be it resolved that the week of October 12-18, 2008, be hereby commemorated as WE'RE STILL HERE! week, to focus on the late effects of polio; additionally reflecting on our respect for (insert cooperating group's name) and their work in this important area.
